About Giuliana Villamil Herrera

About me
Last modified on 01/10/22

Hi stranger! My name is Giuliana, with **G** for giraffe, not with **Y** for yucca. I'm a crazy dreamer of unicorns. *My life is like Hanna Montana; over the day, I'm an art director, and I'm a graphic designer at night.*

A rising **creative goddess** of solutions through visual image. Do you want a cow in outer space? You got it. So, I can even bring a little movement to your life with my animation superpowers.
